📋 03: COMPLETE FEATURE MANIFEST

Detailed Capabilities of DigyNex 360 Ecosystem (2026.04)

🌍 0. PUBLIC INTELLIGENCE GATEWAY (360 HUB)

- **Intelligence Hub Landing Page:** High-fidelity executive entry point (`360.html`).
- **Executive Access Gate:** Interactive Lead Capture Portal with automated CRM indexing.
- **Interactive Feature Showcases:** Dynamic modal system with deep technical deep-dives for every module.
- **Public Executive Overview:** High-contrast showcase of the "Project Nexus" ecosystem with embedded demo sequences.

📊 1. STRATEGIC EXECUTIVE DASHBOARD (BI)

- **Real-time KPI Tracking:** Dynamic charts for Revenue, Burn Rate, and Profitability.
- **Project Nexus Analytics:** Portfolio-wide financial health monitoring.
- **AI Financial Forecaster:** Prediction models for quarterly revenue targets.
- **Strategic Intelligence Hub:** Interactive UI for ROI simulation across business sectors.
- **AI Intelligence Node:** Real-time n8n workflows syncing db stats with Gemini LLM for predictive models.
- **EBITDA Dashboard:** High-level executive profitability reports.
- **SCV Audit Matrix:** Strategic Cost Variance tracker for identifying billing errors.

🧠 2. PROJECT NEXUS (Elite Module)

- **Bulk Ingest Hub:** Automated manifest parsing for 10,000+ items.
- **Strategic Audit Portal ($5,000 Entry):** The 13-stage operational deep-dive gateway.
- **ROI Sector Simulator:** Comparative margin analysis between different industry segments.
- **Subcontractor Registry:** Verified database of strategic partners with performance scoring.
- **Financial Sovereignty Engine:** Local server deployment and data-isolation capability.

🧪 3. TMS (Operations Management)

- **QR Identification System:** Digital ID cards for students/employees with NFC/QR support.
- **WhatsApp Automation:** Automated alerts for delivery, attendance, and payments.
- **Milestone Generation:** Automatic creation of achievement certificates and performance banners.
- **Smart Invoicing:** Automated payment reminders and debt recovery triggers.

🌐 4. CMS (AI Social Nexus)

- **AI Image Generation:** Direct integration with Imagen 4.0 for branding assets.
- **Gemini Copywriter:** Automated professional social media posts and newsletters.
- **Omnichannel Broadcast:** One-click publishing to Facebook and LinkedIn.
- **Telecom Sync (Human-in-the-Loop):** Real-time approval triggers via Telegram/WhatsApp.

Verified Feature Set: Version 2026.04
